

Pro Helvetia New Delhi congratulates Ehsan Ul Haq, Sujit Mallik, Taran Khan, Christoph Draeger, Christophe Polese and Michael Pelzel on being awarded Studio Residencies in 2014.

Residencies provide the artist with dedicated time and space for creative work. Beyond this fundamental value, the studio residency offers the artist an opportunity to research, experiment, and engage. Pro Helvetia - Swiss Arts Council's residency programme is dedicated solely to the creation of new work and as a result plays a vital role in the artistic development of the artist. The products of these residencies often surface months or years after the residency is over.

Ehsan Ul Haq is a visual artist from Pakistan and Pro Helvetia New Delhi is happy to award a studio residency to an artist from the South Asian region. Abdus Salaam, from Bangladesh was awarded a residency in 2009.

We hope that the artists-in-residence will gain from this experience personally and will also form sustainable networks for the future.
