

Pro Helvetia - Swiss Arts Council recognises the need for continuing the ongoing debate, that it has been part of in the past few years, related to the evolving role of the curator. Discussions on curatorial practice have focused on the role of the curator in presenting and analysing artistic developments. Curatorial practice remains under scrutiny. With this in mind Pro Helvetia New Delhi, has invited another Swiss curator to present at the Experimenter Curator's Hub in Kolkata for the third year in a row.

We are delighted to welcome Oliver Kielmayer, Director Kunsthalle Winterthur, Switzerland who will be visiting India to participate in the Experimenter Curator's Hub and will deliver a talk at FICA, Delhi.

We hope that Oliver Kielmayer's presentation and interaction with his counterparts at the hub furthers this valuable dialogue.
