

One of the earliest projects that Pro Helvetia New Delhi supported in 2009 was 'When Kulbushan met Stöckli', a comics collaboration between India and Switzerland showcasing the work of graphic novelists from the two countries. Andrea Caprez and Christoph Schuler, who were part of this collaboration return to participate in Mountain Echoes, a literary and cultural festival in Bhutan and to present their recent works to friends and partners in Delhi.

Creative output manifests itself in a myriad of ways. Graphic novels are as much about the drawings as they are about the story. Andrea Caprez and Christoph Schuler work as a team and combine their strengths in presenting the art of the graphic novel. Pro Helvetia New Delhi is delighted to welcome Andrea Caprez and Christoph Schuler once again.
