

As the application process for the year 2014 comes to a close this weekend, we would like to thank you for your interest in the Artist-in-Residence programme that is run by Pro Helvetia - Swiss Arts Council.

The jury will evaluate the applications and shortlist the awardees. We will announce the names of the selected artists in our June newsletter. Watch this space!

In the meantime, Indian artists who were awarded the residency in the past application process are ready to leave for Switzerland. While Sujit Mallik & Taran Khan are making preparations for their respective residencies, Swiss artist, Christophe Polese has just commenced his residency in India.

We hope that the artists will gain from this experience and will also form sustainable networks for the future.
