

When percussion giants from across continents come together, one can only expect the obvious - an electrifying crescendo. The legacy of Pierre Favre and Lucas Niggli from Switzerland will blend with the expertise of tabla virtuoso of Aneesh Pradhan from India, creating an overwhelming collaboration.

We welcome Pierre Favre, Lucas Niggli and Aneesh Pradhan in Delhi and wish them an enriching partnership.

We also welcome further applications for our residency programme. The deadline has been extended till 6 March 2015.
