

Pro Helvetia New Delhi would like to thank all the artists who have applied for studio residencies in the year 2016. The jury has evaluated the applications and shortlisted the awardees. We will announce the final selections in our June newsletter.

In the meantime, Hetal Chudasama and Shazeb Shaikh who were awarded the residency in the past application process are already in Switzerland, while Diya Naidu, Manmeet Devgun and Akansha Rastogi are making preparations to leave later in the year. We hope that the artists will gain from this experience and will also form sustainable networks for exchange in the future.

Residencies provide the artist with dedicated time and space for creative work. Beyond this fundamental value, the studio residency offers the artist an opportunity to research, experiment, and engage. Pro Helvetia - Swiss Arts Council's residency programme is dedicated solely to the creation of new work and as a result plays a vital role in an artist's development.
