Experimenter Kolkata and Pro Helvetia New Delhi shared a vision, and the outcome has been a partnership that is now 5 years old. Pro Helvetia has supported the Experimenter Curators' Hub since its very inception in 2011, and this has resulted in cross-cultural connections for both the organisers and participants alike.

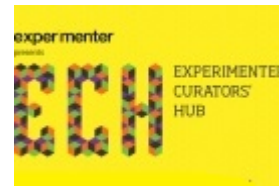

This year Giovanni Carmine, Director Kunst Halle St Gallen will participate. Curators invited in the past include Adam Szymczyk (2014), Oliver Kielmayer (2013), Patrick Gosatti (2012) and Nadia Schneider Willen (2011).

We welcome Giovanni Carmine, Director Kunst Halle St Gallen to India and hope that his visit will lead to many more associations in the future.
