

Come August, and Landiwiese in the city of Zürich comes alive with theatre practitioners and patrons from all over the world. Zürcher Theater Spektakel is an annual theatre festival that takes place in mid-August. Each year, the festival directors invite performers, basing their selections on creativity and ambition, while seeking to promote a range of performing arts. The festival is funded by the city of Zurich and seeks to support upcoming artists as well. It awards prizes to participants and is the driving force behind Zurich's thriving theatre scene.

This year, Indian theatre and festival director, Sankar Venkateswaran has been invited by Zürcher Theater Spektakel as a jury member. Zuleikha Allana and Abhishek Hazra have also been jury members in previous editions of the festival. Indian artists, Surjit Nongmeikapam, MD Pallavi, Mallika Taneja and Preethi Athreya among others have performed at the festival in the past. Pro Helvetia New Delhi wishes the Festival every success.
