

In October 2010, Pro Helvetia opened a new office in Shanghai, the Swiss Arts Council's fifth liaison office abroad after Warsaw, Cairo, Cape Town and New Delhi. A liaison office's task is to foster cultural exchange and enhance public awareness of Swiss arts and artists abroad. They are complemented by Swiss cultural centres in Paris, Rome, San Francisco and New York. Pro Helvetia thereby ensures the international dissemination of Swiss culture in accordance with the organisation's mandate. Pro Helvetia New Delhi takes this opportunity to welcome its colleagues from the Shanghai office to the global network.

With the sound installation In the Air, scheduled to open on Friday 12 November at the Bhuta Gallery, Pro Helvetia collaborates yet again with the Crafts Museum, after the very successful 1001 Cups ceramic exhibition. As a venue, for a contemporary piece of art like In the Air, the Bhuta gallery will offer a captivating mix of both traditional and neoteric craft.

The Crafts Museum and Pro Helvetia New Delhi invite you to experience In the Air, a sound installation by Jason Kahn from 12 to 30 November 2010.
