

This July, Pro Helvetia New Delhi would like to welcome two special guests from Switzerland.

Margrit Gysin, a trained puppet therapist from the Swiss Institute for Therapeutic Puppet Theatre whose story-telling skill has won her accolades from around the world. And Nadia Schneider Willen, a freelance curator based in Zurich who was earlier the director and curator of Kunsthaus Glarus and the conservator of modern and contemporary art at the Musée d'art et d'histoire in Geneva.

Both Margrit and Nadia will be engaging in dialogues via workshops and presentations with their Indian counterparts. We hope that these interactions will further develop into partnerships and collaborations.
