

As the application process for the year 2013 comes to a close, we would like to thank everyone who has applied for the Artist-in-Residence programme that is run by Pro Helvetia – Swiss Arts Council. The jury will evaluate the applications and select the awardees. We will announce the names of the selected artists in our May newsletter.

In the meantime, Indian artists who were awarded the residency in the past application process – are ready to leave for Switzerland. As Samina Misra, Shreyas Karle, Akshay Raj Singh Rathore and Iram Ghufuran make preparations for their respective residencies, we wish them the very best. May their stay prove immensely productive and valuable.
